Trends of Contemporary U.S. Political Speech

By: Abdul-Wahab M. AL-Juburi

Assikt, lecturer, History Department, Education College, Mosul University

Abstract

This study aims at explaining the truth of information and U.S. political speech in the writings of men of letters and intellectual themselves. Opinions and present American changes express official point of view of U.S. Administrations which are based upon Israeli Lobby in both Washington and Israel. This study also explains the details of U.S. political speech with in its styles changes, dimensions and goals especially what relate our Arab and Islamic area in order to be a ware of what is being planned Overtly and openly against us and to obsess our will, decisions, wealth and integrity of our nation.
